Dear Moran,

How are you? It's a great honor for me and for all the members of the Rotary Club of Daliat al Carmel to thank you and your terrific group who visited us at the home of our best friend Nazie Kador. We are very proud and admire the support of this exemplary group. Your contribution in the sum of \$1,700 as well as these great gifts for the poor families in our community have given us a strong push to succeed together and to put a smile on the faces of these families. Because of your generous donation, we, the Rotary Club, have succeeded to fulfill the project "The Rotary Square" in Daliat al Carmel.

I believe that our friendship and our cooperation will continue in the future in the tradition of our Rotary motto: "service above self".

Please send our best wishes for your charming group, your wife, and your parents.

Happy new year

Best regards,

Mounir Jabeer
President
